New Student Fee:

- Administrative fee is \$500 per family (one time cost) plus \$125 for each student new to Covenant. This is due at the time of enrollment.

Covenant will operate with continuous enrollment for all students enrolled for the 2024-2025 school year and going forward. This means the enrollment fee will be automatically billed in December 2024 and due January 5, 2025 for the 2025-2026 school year. Families wishing to opt out for the following school year must contact the Main Office by December 5, 2024 to avoid being billed the enrollment fee. Opting out of enrollment after December 5 incurs a \$100 per month late fee. The rate increases \$100 after the 5th of each subsequent month.
